

BIIAB Award in Assessment of Licensed Premises (social responsibility)

What is the BIIAB AALP(SR)?

The BIIAB Award in Assessment of Licensed Premises (SR) has been developed in conjunction with Best Bar None (BBN), with the aim of providing a universal hallmark of predetermined quality of the assessment approach to recognised award schemes across the country.

What does the course cover?

The BIIAB AALP(SR) covers three key subject areas:

Principles of Assessment

- the assessment process
- arranging, planning and undertaking assessments.
- making assessment decisions and providing feedback.

What does the assessment involve?

The BIIAB AALP(SR) is assessed by two multiple-choice question examinations.

Course arrangements

It is a two day course - we are more than happy to deliver an exclusive course at a premise of your choosing - this can be for any number - please call us for a quotation.

- Quality assurance of assessments.

Legislative Requirements of Licensed Premises

- Introduction to the legislative requirements of operating licensed premises.
- The Licensing Objectives.

Assessing Recognised Award Schemes

- The role of recognised award schemes.

- The role of evidence. Basic communication.

Who is the BIIAB AALP(SR) for?

The BIIAB AALP(SR) is designed for prospective recognised award scheme assessors for example from: Police forces, Local authorities, Trading standards offices, The fire service, as well as BIIAB nominated tutors; CDRP/DAAT team members and other A1 qualified independent representatives.
